The Engineer Officer requests orders on the following heads:—

1) Allotment of a definite grant for the purpose & authorization to incur expenditure in this behalf

2) Sanction to the establishment of suitable hands for carrying on the work of the Board

3) Permanent advance of Rs 2 500 for meeting urgent expenses

4) Purchase of 10 axes from Khasia and 4 dao packs.

In regard to (1) above, it is noted that a provision of five lakhs has been made in the State Budget under Bungalow & Improvement for which expenditure must first be incurred by the Engineer Officer will have to be voted under this head. Whenever an estimate for any work is sanctioned the amount to be spent will be authorized by the Engineer Officer to meet the bills as they arise being debited to the above grant of five lakhs on this head. If the expenditure in respect of the works to be done in office in the Kumarghat Extension & the Water Garden Extension etc may be debited also for that head

No orders separately allotting this amount etc appear necessary

(2) Proposals for the establishment have been separately received & dealt with

(3) The Engineer Member in charge of the Special Drainage Division also is in correspondence that that office has a permanent advance of Rs 25/-. As it would however be desirable to keep the Separate accounts of the Special Drainage Division & of the new Drainage Board office there formed, a permanent advance of Rs one hundred might be sanctioned to the Engineer officer with financial concurrence

(4). Having regard to the fact that the iron materials are very costly. one almirah (6'×3'×2') and 4 racks (6'×3'×2') made of wood may perhaps be authorized to be purchased from the S. P. C

For orders with financial concurrence
The office will have to be put in hand three tenders invited in
